The Examiner objected to the Information Disclosure Statement for failing to comply with the provisions of 37 CFR 1.97, 1.98, and MPEP 609 because citations A9 and A12 lack sufficient description so as lead the reader to the cited documents. Applicants submit herewith a Supplemental Information Disclosure Statement providing complete and proper description for items listed, and which does not include any hyperlink or other form of browser-executable code. Applicants respectfully request reconsideration and withdrawal of the objection.
